“ Worked with Larry at the airport (MBS). Really nice guy, always cool, calm and collected no matter how crazy it got. And it did get CRAZY at times. You'll be missed Larry.

“ Adele Cassow, daughter of Uncle Al and Aunt Anna, would like to send her condolences to Sandy and the family. She remembers how helpful they were in helping her become an exchange student, and their work with Youth for Understanding. It saddens me to hear of Larry's passing, but I hope the family finds peace in knowing he is with other family members who are loved and missed.
