“ Dear Jan and Bob: Your Mom was a very special lady to our family and to everyone who was fortunate enough to know her. She truly was like family! She was never too busy, never too tired, never too far away, never not ready or willing to help someone who needed her time and energy...the real definition of a "true servant"! She was a very "humble" lady whom we loved very much! By continually serving others, she was serving Jesus. Margaret knew what her mission was in life...when I think of all the countless times she spent helping the "handicapped", we're sure that when God welcomed her into Heaven, He met her with the words: "well done my good and faithful servant...welcome home to paradise!" We will never forget you Margaret... until we meet again, The Underhill Family

“ Your mom was such a sweetheart! She was always so kind and helpful. When Floyd (Eddie Haskell) came to your house and thought he would sneak a beer in his pocket and of course it spilled, your mom thought the dog had slobbered all over him, so, she grabbed her dish towel and tried to dry the front of his pants! We still laugh about that. He would always ask if he could help with the dishes, and sometimes she would surprise him and ask him to dry. We loved her and are so very sorry for your loss. X's and O's!!
