“ We were saddened to read about Nick’s passing. May the many treasured memories sustain you during this most difficult time. We pray that you find comfort in our Creator’s promises to reunite us with our beloved ones again, in a youthful world, where the causes of pain and sorrow will be a thing of the past. How exciting it will be to see him again doing all the things he loved. Forever find comfort reading Isaiah 25:8, which promises that our tears of mourning will end when death is done away with. Our sincerest condolences to the Family.

“ Karri & family, I'm so very sorry for your loss. I hope precious memories help you through this difficult time. Karri, The Lord brought Nick into your life for a special reason. Your true love and kindness these past 18 months or so were Nick' s only happiness, in a time when so much pain surrounded him. You are in my prayers.

“ Brother Gary and Sister Deborah Klopf, our family is so sorrowful that Nickolas was called home so soon. He has to be a special spirit with much work to do beyond the veil. May Heavenly Father bless you and your family and his family and friends and relatives with peace in their hearts knowing that this separation, though painful is but a small moment of time in eternity. If Margaret or I can be of any service or help in any way, please don't hesitate to ask.
